Dear Conference President/National Church Boards,

We are writing to you in preparation for the next congress in session of the International Ministerial Congress of the Church of God (Seventh Day) on 13-18 November 2023. The designated location for the congress will be in Port Harcourt, Nigeria, featuring the theme of "*Equipped for the Global Mission*".

In the next few months, you will receive several updates as we progressively plan this event. As we have important business to attend to, please give prayerful attention to the planning and preparation currently underway. Please pray for those who are helping in the organising committees. Please pray for every blessing for the Lordship of Jesus Christ to be preeminent, not only in our planning and travel, but also throughout the event itself.

We now need to compile a complete list of all attendees, and request the names of your Representative Delegate as well as any Alternate Delegate and/or Observers. We request that you send this information to us by 1 May 2023.

We also remind all participating countries to prioritise their planning to allocate sufficient funds to send a Representative Delegate and an Alternate Delegate to Nigeria in 2023. We will have more information on costs in further correspondence.

May God bless us with an outpouring of His Holy Spirit as we anticipate a wonderful time of working together in fellowship in the name of our Lord Jesus Christ. Thank you for your help with this information.

On behalf of the International Ministerial Congress,

John Klassek
Secretary

Ramon Ruiz
President
